## BLU ICE

The BLUE ICE™ pillow consists of a Luxury areated memory foam cloaked with INTELIPHASE™ phase change material for thermal cooling, and covered in our refereshing BLUE ICE™ silk! It's time to avoid pillow flipping and get a better night sleep!

## COPPER BLISS

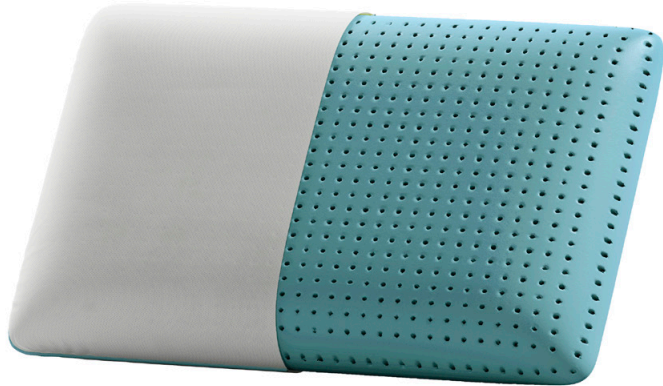

Our Copper Bliss Pillow is a foam, latex and gel hybrid, taking a more traditional approach towards luxury. We've combined the best aspects of all of our pillows, to eliminate waste and create an amazing sleeping experience for side sleepers, back sleepers, and stomach sleepers combined!

## COMFORT REST

The Comfort Rest pillow is a hybrid and takes a one size fits all approach when it comes to sleeping. If you're trying to please a side sleeper, back, or stomach sleeper, look no further! This sleek pillow is not only comfy, lofty, and cool, but it's also blows the competition out of the water with its affordability

## PEPPERMINT

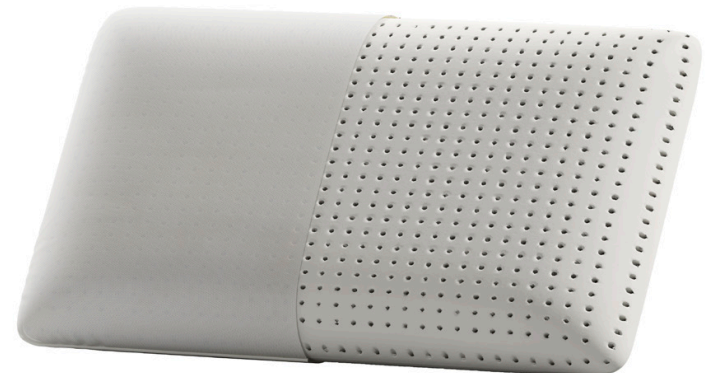

**Essence Lavender, Peppermint, and Jasmine in a new line of essential oil pillows from BedTech! Infused with natural lavender essential oil, this pillow is designed with top of the line specs. Including, ventilated memory foam that provides cooling & softness, that's all wrapped up in a breathable mesh cover. This is relaxation at its finest**
