Galaxy Plush

Copper & Gel Quilted Euro Top with Handles – 14"

Repreve Cooling Fabric: Made From Recycled Ocean Plastic

Certified fabrics made with recycled fibers and yarns pulled from the oceans, that feel cool to touch for immediate temperature control and comfortable sleeping environment all night long.

Cool Copper Memory Foam: Sleeps Cool

Copper infused memory foam regulates temperature for deeper sleep by drawing excess heat away from the body while absorbing pressure so you can sleep undisturbed without tossing and turning

Ventilated Gel Memory Foam

Adapts to your body contours providing cradling comfort and enhanced pressure relief while allowing heat to move away from the body to help keep you cool and comfortable.

CertiPUR-US Certified Foams

This High-Density plant-based foam is eco-friendly and designed for lasting, healthy comfort. And because it's made with open cell technology, it's more breathable allowing you to sleep cooler.

High Density Orthopedic Support Core

Pressure relief and contouring is delivered with our stable high density, Certipur-US certified foam core to provide support and comfort.
